

We have some big news.

We are selling On Your Mark effective June 1, 2017. This is, of course, a difficult decision for us, but also very exciting! The time has come for us to move on to new adventures.

Of course, we'll still be around Los Altos! You'll find Micheline getting back to her roots and teaching in our local schools. Adam will be downtown working on his start up, The Shoe Match Fit System, and also at [Westcott Physical Therapy](#) offering his Pedorthic services including biomechanic evaluations, custom orthotics, Kinesio taping, as well as consulting and coaching. You can book in-clinic or in-home visits with him online through his [scheduler](#).

This new adventure will allow Adam more time to focus on his startup, [The Shoe Match Fit System](#). We are ready for Shoe Match to take the world by storm and we're hoping that you will [check it out](#) and share it with your friends. As many of you can attest, shoe sizing is always a moving target and Shoe Match takes the guesswork out of purchasing any shoes online. Right now we have mainly athletic footwear, but we are moving on to casual and dress shoes soon! Please let us know what you think and let your favorite online retailers know that they need [The Shoe Match Fit System](#)!

Thank you for a great 6 years. We have enjoyed getting to know you and supporting you whether you were reaching for a new PR or staying active.

With gratitude,

Adam and Micheline
